Judith's Jig Memorial 5k is truly a special event because it celebrates the life of Judith Patterson Gilbert, whom many people in our community will never forget, including her BPW (Business and

Professional Women's Club) sisters who organize this event. Judith belonged to many organizations and was one of the founders of High Tech Computing. Judith passed away on April 2, 2010 after an eight-month battle with pancreatic cancer, but leaves a legacy of kindness, caring and giving back.

HOW YOU'RE HELPING

Whether you're a sponsor, runner, walker or volunteer, you're helping raise funds for causes that were very near and dear to Judith's heart.

Crawford County CASA trains and provides citizen volunteers to advocate for the best interests of children involved in juvenile court proceedings primarily as a result of abuse and/or neglect.

Women's Services of Meadville has been providing hope and resources for those affected by violence and advocating to end it since 1977.

The Pancreatic Cancer Action Network is dedicated to working together to advance research, support patients and create hope for those affected by pancreatic cancer.

BPW reserves the right to reallocate the distribution of funds should a beneficiary change its mission, relocate outside the area and/or dissolve. A portion of the proceeds are retained by BPW to fund future Judith's Jigs.
